ARVIND MAFATLAL GROUP

Mafatlal brand **Trendz & Smart** Knitted fabrics have become increasingly popular for School Uniforms for several reasons:

COMFORT:

Students need to wear their uniforms for long periods, sometimes up to 8-10 hours per day. Knitted fabrics, especially made with soft and breathable fibres offer a high level of comfort that helps prevent fatigue and discomfort.

STRETCH AND MOBILITY:

Students need to move around freely and perform various tasks that require a full range of motion. Knitted fabrics offer a greater degree of stretch and mobility than woven fabrics, allowing for greater ease of movement and flexibility.

DURABILITY & WASHABILITY:

Knitted fabrics can be made to withstand repeated washing and frequent use, making them durable enough to withstand the demands of the day to day uses. It can easily withstand 71 degrees Celsius, as per requisite of garment washing.

DESIGN OPTIONS:

Knitted fabrics offer a wider range of design options than woven fabrics. They can be made in a variety of textures, patterns, and colours, allowing for more creative and personalized uniforms.
